### **HB0368 - Health Insurance Athletic Trainer Services Amendments**

Any Fiscal Impact - no

HB 368 removes the ability for certain health plans to exclude athletic trainers as a class from their network panels. PEHP currently allows athletic trainers to participate in its networks according to Utah law, PEHPs network credentialing and other network requirements. Because PEHP currently allows athletic trainers on its network, we do not anticipate increased costs to the State Risk Pool from this bill.
